

Memorandum of Agreement
Between
Bureau of Indian Affairs,
Office of Self-Governance,
Office of Natural Resources Revenue,
And
Bureau of Land Management

This Memorandum of Agreement (MOA) is made and entered into by and between and among the Bureau of Indian Affairs (BIA), Office of Self-Governance (OSG), Office of Natural Resources Revenue (ONRR) and Bureau of Land Management (BLM), pursuant to the Economy Act, 31 U.S.C. § 1535.

I. Purpose

The Secretary of the Interior (Secretary) issued Order No. 3377, Contractibility of Federal Functions for Oil and Gas Development on Indian Lands on December 16, 2019, providing policy guidance on inherently Federal functions for purposes of Tribal energy resource agreements (TERAs) and specifically addressing inherently Federal oil and gas functions. The Department of the Interior (Department) is committed to maintaining the Federal Government's unique and continuing relationship with, and responsibility to, federally recognized Tribes and individual Indians through meaningful self-determination policies. To ensure that Tribes may avail themselves of the opportunities to express self-determination, the parties enter into this MOA to coordinate, plan, and implement an Indian Self-Determination and Education Assistance Act (ISDEAA), program within the BLM and ONRR.

II. Background

The ISDEAA, as amended, authorizes federally recognized Indian Tribes and eligible Tribal organizations (TO) to request to contract or compact with the Secretary to plan, conduct, and administer eligible programs, functions, services, and activities (PFSAs), or portions thereof, including construction programs. 25 U.S.C. § 5321(a). Eligible PFSAs include those that are administered by the Secretary for the benefit of Indians because of their status as Indians without regard to the agency or office of the Department within which it is performed (25 U.S.C. § 5321(a)(1)(E)) and those that are of special geographic, historical, or cultural significance to the requesting Tribe (25 U.S.C. 5363(c)).

The Indian Tribal Energy Development and Self-Determination Act of 2005 (Act) authorizes Federally recognized Indian Tribes to apply for and enter into Tribal Energy Resource Agreements (TERA) with the Secretary. Upon the Secretary's approval of a TERA, a Tribe may enter into certain energy-related business agreements, leases, and grant rights-of-way for energy resource development, including oil and gas development, on Tribal lands without the review and approval of the Secretary. Tribes may also request an ISDEAA contract/compact to assume operation of activities normally carried out by the Secretary, except for inherently Federal functions.

Secretarial Order No. 3377 directed that BIA, BLM, and ONRR coordinate and share resources to ensure that Federal staff are educated on the requirements of TERAs and ISDEAA contracts/compacts, and are able to adequately provide technical assistance to Tribes requesting such agreements. To provide such technical assistance to Tribes, the Solicitor's Office completed its review of the functions and subfunctions outlined in the Onshore Energy and Mineral Lease Management Interagency Standard Operating Procedures, dated September 28, 2013, and developed a list of "inherently Federal" functions related to fluid mineral development that are not available for inclusion in an approved TERA. *See Annex*

A (Contractible Federal Functions and Activities Related to Indian Oil and Gas Development) and Annex B (Inherent Federal Functions and Activities Related to Indian Oil and Gas Development).

Definitions for purposes of this MOA:

1. *Awarding Official* means a BIA-trained and certified official responsible for negotiating, awarding, and monitoring self-determination contracts.
2. *Awarding Official's Technical Representative (AOTR)* means program staff that provide programmatic and administrative support to the Awarding Official. An AOTR is appointed by the Awarding Official in a designation letter.
3. *Compact* means a self-governance compact under Title IV of ISDEAA.
4. *Contract* means a self-determination contract under Title I of ISDEAA.
5. *FA* means a funding agreement under ISDEAA. Funding agreements may be annual or multi-year.
6. *ISDEAA* means the Indian Self-Determination and Education Assistance Act, Pub. L. No. 93-638, as amended, codified at 25 U.S.C. § 5301 *et seq.*
7. *IESC* means the Indian Energy Service Center in Lakewood, CO established in 2016.
8. *Self-Governance Tribe* means a tribe or consortium of tribes that has been admitted to participate in the DOI Tribal Self-Governance Program under Title IV of the ISDEAA.
9. *Subordinate Awarding Official's Technical Representative* means program staff that provide programmatic and administrative support to the Awarding Official. An AOTR is appointed by the Awarding Official in a designation letter.
10. *TEDO* means Tribal Energy Development Organization.
11. *TERA* means Tribal Energy Resource Agreement under the Indian Tribal Energy Development and Self-Determination Act of 2005, Pub. L. No. 109-58, codified at 25 U.S.C. § 3501-3504, and as amended in Pub. L. No. 115-325, the Indian Tribal Energy Development and Self-Determination Act Amendments of 2017.
12. *TERA Regulations* means the BIA regulations published at 25 C.F.R. Part 224 implementing the Indian Tribal Energy Development and Self-Determination Act of 2005.
13. *Title I* means Title I of ISDEAA, 25 U.S.C. §§ 5321-5332, authorizing the Secretary to enter into self-determination contracts with Federally recognized Indian Tribes and eligible Tribal organizations.
14. *Title IV* means Title IV of ISDEAA, 25 U.S.C. §§ 5361-5368, establishing the Tribal Self-Governance Program.

III. Responsibilities

The parties share mutual responsibilities to Federally recognized Indian Tribes and have expressed interests in partnering with Tribes to effect meaningful self-determination policies. The BIA and OSG have operated ISDEAA programs since 1975 and 1990, respectively and can therefore lend their expertise to agencies and offices seeking to establish ISDEAA programs. Moreover, due to the unique statutory and regulatory requirements under ISDEAA, the Department has an interest in ensuring that any non-BIA bureau seeking to establish an ISDEAA program receives comprehensive guidance and technical assistance from experienced bureaus and offices.

Accordingly, the parties agree to the following:

A. BIA will:

1. Recruit a Self-Determination Specialist, GS-1101-11/12/13 to serve as the Awarding Official stationed at the IESC to award and administer Title I self-determination contracts for oil and gas activities on Indian lands with the BIA, BLM and ONRR.
2. Within 30 days of the effective date of this MOA:
 - a. Designate a point-of-contact who can facilitate the provision of technical assistance to BLM and ONRR regarding ISDEAA Title I self-determination contracts.
 - b. Provide BLM and ONRR with the FY 2020 Self-Determination Training Course Catalog and assist BLM and ONRR staff in registering for upcoming courses.
3. Conduct at least two (2) ISDEAA trainings in FY2020 for BLM and ONRR staff only. Trainings may be in-person or by webinar based on BLM and ONRR preference and availability.

B. OSG will:

1. Within 30 days of the effective date of this MOA, designate a point-of-contact who can facilitate the provision of technical assistance to BLM and ONRR regarding ISDEAA Title IV self-governance funding agreements.
2. Provide at least one (1) ISDEAA Title IV Tribal Self-Governance Program training in FY2020 for BLM and ONRR staff only. Training may be in-person or by webinar based on BLM and ONRR preference and availability.

C. BLM will:

1. Within 90 days of the effective date of this MOA:
 - a. enter into an Intra-agency Agreement with BIA to utilize the services of a regional BIA Awarding Official with awarding authority for the BIA region where the approved TERA is located.
 - b. Establish an ISDEAA review committee charged with identifying and resolving any regulatory or administrative challenges hindering the implementation and administration of ISDEAA contracts and self-governance funding agreements by BLM and direct the ISDEAA review committee to develop a best practices handbook that may be used to reference how to complete actions, process awards, apply past experiences, and provide overall guidance to carry-out program responsibilities
2. Provide necessary staff to serve as an Awarding Official's Technical Representative and Subordinate Awarding Official's Technical Representative (SAOTR).
3. Ensure BLM staff attend ISDEAA trainings offered by BIA and OSG.

D. ONRR will:

1. Within 90 days of the effective date of this MOA, enter into an Intra-agency Agreement with BIA to utilize the services of a regional BIA Awarding Official with awarding authority for the BIA region where the approved TERA is located.
2. Provide necessary staff to serve as an Awarding Official's Technical Representative and Subordinate Awarding Official's Technical Representative (SAOTR).
3. Ensure ONRR staff attend ISDEEA trainings offered by BIA and OSG.

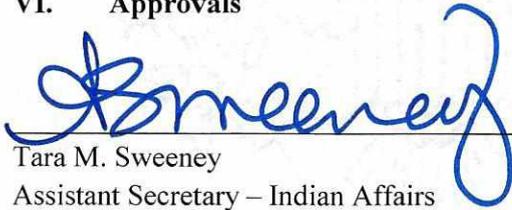

IV. Costs

In the first year of this MOA, each party will bear its own costs for performing the responsibilities listed under Section III. The parties will convene in the second year of implementation to reevaluate the terms of this MOA, including whether to enter into a reimbursable support agreement(s) to reimburse BIA for use of its Awarding Official.

V. Term, Amendment, and Termination

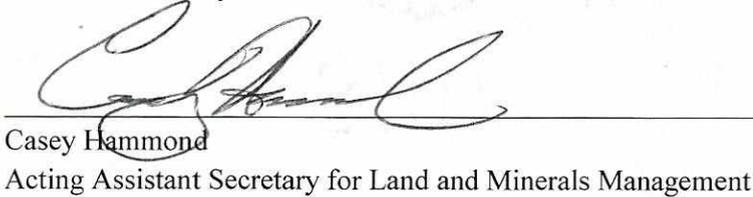

This MOA will remain in effect for 5 years but is subject to periodic review and modification upon written consent of the parties. Either party may terminate this agreement upon 30 days written notice.
