

IHS Announces Tribal Consultation on FY 2020 to Support CHAP Expansion

The Indian Health Service has announced [Tribal consultation on the \\$5M from FY 2020 to support the expansion on the national Community Health Aide Program](#) (CHAP).

As part of Tribal consultation, OCPS is hosting the virtual CHAP Learning Sessions. This is a four-part series on topics related to CHAP. The goal of these sessions are to provide additional information and answer questions so our Tribal stakeholders may make informed funding recommendations. The dates are as follows:

Date	Time	Length	Title	Link
Oct. 1 st	1pm ET	90 minutes	CHAP Expansion Learning Series: CHAP Policy Explained	https://ihs.cosocloud.com/chap/
Oct. 2 nd	1pm ET	90 minutes	CHAP Expansion Learning Series: Background of Consultation & Implementation Priorities	https://ihs.cosocloud.com/chap/
Oct. 7 th	2pm ET	90 minutes	CHAP Expansion Learning Series: Deep Dive into the Behavioral, Community, & Dental Health Aides for Tribal Communities	https://ihs.cosocloud.com/chap/
Oct. 8 th	1pm ET	90 minutes	CHAP Expansion Learning Series: Understanding the Role of the CHR & CHAP Workforce	https://ihs.cosocloud.com/chap/

We encourage those interested in keeping up with the program development to subscribe to the [CHAP ListServ](#).

Due to the pandemic and many of our standard office protocol shifting to remote working, we are accepting comments only via email. All comments will be accepted via email at consultation@ihs.gov until **Monday, November 23, 2020** with the subject line "National CHAP Expansion Funding".

If you have any questions, please contact me directly at Minette.Galindo@ihs.gov or IHSCAP@ihs.gov.

Thank you all for your continued support.

Warmest regards,

Minette C. Galindo
